## **S.R.P. EDWARDS & CO. LTD - MISCELLANEOUS UNDERWATER EQUIPMENT QUESTIONNAIRE**

1. Please state the Company's name and address.
2. Please give the name, title and contact number (telephone, *fax*, or e-mail) of a Company representative able and willing to answer questions about the proposed property or operation to be insured.
3. Please give the name of your original broker plus a contact name.

### **THE EQUIPMENT**

4. Please provide a schedule of items to be insured. (Split Surface/Sub Surface). Please include the type of vessel from which they will be operated, where appropriate.
5. Please provide estimated utilization of the main item(s) of equipment above. Please also provide an outline of running contracts and anticipated contracts where these items will be used (including location, project name, etc.).
6. Who, other than the assured's full time personnel, operate and maintain the equipment? Does the assured have control over the appointment of these Individuals? For diving equipment, please state the qualifications of the divers and supervisors.

### **THE COMPANY**

7. How long has the Company been in existence and who are the principal Officers? What is the approximate annual turnover for the past five years?
8. Please give the Company's experience in its current and proposed area/type of operation.
9. Please give details of the Company's procedures for reporting and responsibility.
10. Please give details of operation and safety manuals and procedures for their monitoring and implementation (if applicable).

### **THE PAST CLAIMS RECORD**

11. Please give the claims history, whether insured or not, on all underwater or related equipment which the assured owned or for which the assured was responsible, during the last five years. Please give any reasons why such a claim might not occur in the future.
12. Please provide any further information which you feel is material, to assist underwriters in assessing the risk and giving the most competitive quotation.

**Please also provide, if available, a Company brochure and original copies of the specifications of the equipment to be insured. These should be sent by post to avoid poor facsimile reproduction. They should be dispatched at the earliest opportunity but must arrive within the seven working days following the underwriters' initial quotation.**
